To All Employees Eligible for Health Insurance,

Re: Change in Documents Sent to You

Hello County Employees,

You may have noticed that for the past few years in January you were sent a copy of the federal 1095 form, showing information related to your health insurance enrollment status. Due to a change in federal law, the county will not be automatically sending the form.

On December 23, 2024, the Paperwork Burden Reduction Act was signed into law. Beginning with the 1095 forms for the year 2024, employers are no longer required to send paper copies of the 1095 form by default. Kewaunee County will be exercising the paperwork reduction opportunity, and the printed 1095 form won't go out automatically starting this year.

The information is still available on file after March 1st. To have it sent to you, all you need to do is simply request a copy of the 1095 form. If you have any questions and/or would like to request a copy, please contact Krystal Salzsieder at **920-388-7122** or at **Salzsieder.krystal@kewauneeco.org .**

Thank you,

The Administrative and Finance Teams
Jeremy Kral, County Administrator
Paul Kunesh, Finance Director
