BUG TUSSEL ADDS NEW TOWER IN KEWAUNEE COUNTY! NEW TOWER...MORE COVERAGE...BETTER FOR YOU.

Bug Tussel Wireless™, LLC, has continued its expansion of Wireless Internet Services to rural Wisconsin, going live with Ryan's Tower, a new tower location in Kewaunee County. Steven J. Schneider, President & CEO, invites you to join us for our Ribbon Cutting Ceremony on Friday September 24th at 1:00pm. The Ryan's Corner tower is located at N4559 County Road AB, Luxemburg, WI 54217 and primarily serves the areas west of Kewaunee and south of Luxemburg. This allows Bug Tussel Wireless™ to continue its mission of providing quality wireless internet to Kewaunee County and other rural communities throughout Wisconsin.

Bug Tussel Wireless™ with grant money from the Wisconsin Public Service Commission has now constructed seven towers in Kewaunee County providing services to those who were previously underserved or couldn't receive services. As a result of receiving grant money for this project, Bug Tussel Wireless can offer our services in Kewaunee County at reduced rates.

Known in the industry for providing services to rural Wisconsin, Bug Tussel Wireless™ is currently providing services to Adams County, Brown County, Calumet County, Columbia County, Dodge County, Fond du Lac County, Grant County, Green County, Green Lake County, Iowa County, Jackson County, Juneau County, Kewaunee County, La Crosse County, Lafayette County, Manitowoc County, Marquette County, Monroe County, Outagamie County, Richland County, Sauk County, Vernon County, Waupaca County, Waushara County, and Winnebago County.

Your community partner, in a place you call home.
