Bug Tussel does not represent or warrant that its wireless internet service will be available in all locations. The service will be provided on a best effort basis as determined by Bug Tussel. Depending on the equipment used and the service provided, installation shall include a wired connection from the equipment to one working computer. Multiple computers may be used on the wireless internet connection; however, installation of the service does not include network configuration, management or support. Additional networking equipment may be required and is not included with the service. A complete set of Bug Tussel's terms & conditions can be found at www.bugtusselwireless.com or can be provided to you by your Bug Tussel representative.
