(ag) "Agency" means a county department or a licensed child welfare agency.

(am) "Birth parent" means either:

1. The mother designated on the individual's or adoptee's original birth certificate.

2. One of the following:

a. The adjudicated father.

b. If there is no adjudicated father, the husband of the mother at the time the individual or adoptee is conceived or born, or when the parents intermarry under s. 767.803.

(b) "Individual" means a person whose birth parent's rights have been terminated in this state at any time.

(2) (a) The department, or agency contracted with under sub. (9), shall maintain all information obtained under s. 48.427 (6) (b) in a centralized birth record file.

(b) Any birth parent whose rights to a child have been terminated in this state at any time, or who consented to the adoption of a child before February 1, 1982, may file with the department, or agency contracted with under sub. (9), any relevant medical or genetic information about the child or the child's birth parents, and the department or agency shall maintain the information in the centralized birth record file.

(3) (a) The department, or agency contracted with under sub. (9), shall release the medical information under sub. (2) to any of the following persons upon request:

1. An individual or adoptee 18 years of age or older.

2. An adoptive parent of an adoptee.

(b) Before releasing the information under par. (a), the department, or agency contracted with under sub. (9), shall delete the name and address of the birth parent and the identity of any provider of health care to the individual or adoptee or to the birth parent.

(c) The person making a request under this subsection shall pay a fee for the cost of locating, verifying, purging, summarizing, copying and mailing the medical or genetic information according to a fee schedule established by the department, or agency contracted with under sub. (9), based on ability to pay. The fee may not be more than \$150 and may be waived by the department or agency.

(4) (a) Whenever any person specified under sub. (3) wishes to obtain medical and genetic information about an individual whose birth parent's rights have been terminated in this state at any time, or whose birth parent consented to his or her adoption before February 1, 1982, or medical and genetic information about the birth parents of such an individual or adoptee, and the information is not on file with the department, or agency contracted with under sub. (9), the person may request that the department or agency conduct a search for the birth parents to obtain the information. The request shall be accompanied by a statement from a physician certifying either that the individual or adoptee has or may have acquired a genetically transferable disease or that the individual's or adoptee's medical condition requires access to the information.

(b) Upon receipt of a request under par. (a), the department, or agency contracted with under sub. (9), shall undertake a diligent search for the individual's or adoptee's parents.

(g) If a birth parent is located but refuses to provide the information requested, the department, or agency contracted with under sub. (9), shall notify the requester, without disclosing the birth parent's identity or location, and the requester may petition the circuit court to order the birth parent to disclose the information. The court shall grant the motion for good cause shown.

(7) (a) If the department or another agency that maintains records relating to the adoption of an adoptee or the termination of parental rights receives a report from a physician stating that a birth parent or another offspring of the birth parent has acquired or may have a genetically transferable disease, the department or agency shall notify the individual or adoptee of the existence of the disease, if he or she is 18 years of age or over, or notify the individual's or adoptee's guardian, custodian or adoptive parent if the individual or adoptee is under age 18.
